

# **LAZOR<sup>®</sup>**

## **AUTO LIGHTS**

Lazor is a trusted brand name in the manufacturing and trading of two-wheeler lighting and body components. Based in Delhi, we have been serving the automotive aftermarket **since 1992**, building a reputation rooted in consistency, value, and strong relationships with our partners across India and beyond.

With a catalog of 1200+ products, we offer a wide range of parts including **headlights, tail lights, blinkers, meter cases, chain covers, and more**—designed to meet the practical needs of both everyday riders and serious distributors. Our goal is to deliver the right balance between **quality and affordability**.

Please feel free to keep in touch with us about any business related requirement/queries.
